

Big Changes are Coming to After the Bell!!

Registration will now be done **ONLINE**.

Similar to parent/teacher conferences, registration will be done using Sign Up Genius. A link will be emailed and access will be open beginning **Tuesday, December 10th at 7:00pm**.

After registering online you will then send in the ATB Enrollment Form (found on the SCA website at www.gwlsca.org) along with a check in an envelope labeled 'SCA BOX - After the Bell'. (Those who haven't sent in payment within 1 week of registering risk losing their spot in the class.)

We hope this process helps streamline enrollment for all.
Any questions, don't hesitate to ask!

These changes came about after we had already gone to print.**
